

Christmas Toy Appeal 2018

Not every Cheshire East child has a chimney, help Santa find those without.

We at the Community & Voluntary Services (CVS) are once again holding our Christmas Toy Appeal, now in its 7th year.

The appeal is run in aid of Cheshire East children and families that face difficult circumstances this winter. All are supported by a local charity or family service and might otherwise not be able to provide the magical and joyful experience all children should have on Christmas morning in finding presents under the tree.

We need your support

By donating a toy or two to a collection point near you, or holding a collection at your place of work, you could help make a real difference to a lot of deserving children this festive season.

Visit our website full details on the appeal and some other fundraising ideas.

www.cvsce.org.uk

The CVS Christmas Toy Appeal runs until December 6th 2018
